

New Recruit Homework

1. Upload a professional photo of yourself to your website

- Go to to www.freedomequitygroup.com and click on **AGENT LOGIN**. Login with the email and password you entered when signing up. Click on 'MY VAULT'. Create and enter a PIN. Then Click 'Go'.
- Click on your name in the top right hand corner and go to 'Update My Info'
- Scroll down to 'My Website Information', Choose a file from your computer to upload your photo and click 'update website info'.
- View your personal website by going to your username.freedomequitygroup.com or feg00000.freedomequitygroup.com where feg00000 is your feg code number. You received a welcome email with your feg code number when you signed up.

2. Study videos on your personal website

- It is very important you know every video and tool you have to share with your prospects. You will need to study these repeatedly over the next several weeks
